

*Mickey
Thompson,*

principal designer,
studied architecture
at Texas A&M and
Texas Tech, and is
known for his never-
ending creativity and
flair. His knowledge
and experience in

construction is why home builders and contractors
choose him to design their personal homes.

TexasHomePlans.com is a portfolio of
Mickey's 25 plus years of construction and design
experience. Many of his award winning homes are
included in this website.

Award Winning
HOME DESIGNS
With a
Texas Flair

TexasHomePlans.com is a website of home plans that combine old world influence and charm of the early Texas settlers with today's lifestyles. They have open floor plans, large master suites, and functional yet inviting kitchens. Casitas or guest houses, along with breezeways, screened porches, dog runs and outdoor kitchens are often included to create outdoor living space and courtyards.

Outdoor Kitchen

Whether you are looking for your first home, a cabin in the country, a retirement home, or a lodge by the lake, we can expedite and economize on the home design process. You or your builder can have plans ready in 2-3 weeks and cost considerably less than a custom plan.
